UPDATED 04/04/2023	Heirloom and Open Polinated Tomatoes	
Ananas Noir	Beautiful large beefsteak 1 to 1 1/2 lb fruit developed by Pascal Moreau, a horticulturist from Belgium. The multi-colored, smooth fruit. The flesh is bright green with deep red streaks. Superb flavor that is outstanding, being both sweet and smoky with a hint of citrus. Also know as Black Pineapple.	
Aunt Gerties Gold	1 lb fruit best tasting yellow. Heirloom from Virginia	
Aunt Ginny's	Deep pink beefsteak. Potato leafed.	
Arkansas Traveler	Bred by University of Arkansas and well known for its ability to produce fruit in hot weather. Abundant pink tomatoes 6 to 8 ounces.	
Azoychka	Small yellow beefsteak. Matures early. Lemon yellow fruit.	
Black From Tula	Deep reddish brown medium size; sweet flavor; very productive even during hot weather	
Brandywine Sudduth's Strain	pink classic, potato leaf	
Brandywine Yellow	Large yellow fruit of exceptional quality, creamy texture, and delicious flavor. Fruit size is from 12 to 24 ozs., and tall vines, potato-leaved foliage. An extremely rich-tasting tomato. Indeterminate. 90 days.	
Burantino	High yields, hardy and multipurpose. Balanced flavor and texture.	
Cherokee Green	Med to large; green flesh and complex flavor	
Cherokee Purple	Rose purple slicer	
Chianti Rose	Rosy pink beefsteak. Large	
Carbon	The darkest of the black tomatoes. Sweet and rich flavors. Medium to large.	
Church	Large, red beefsteak, full tomato flavor and plenty of solid meat.	
Copia	These very beautiful tomatoes are a stunning combination of fine-lined golden yellow and red stripes. While visually exciting, the real treat comes when you cut them open. Their gold flesh is streaked with red and is very juicy, flavorful, and sweet. A stabilized cross between Green Zebra and Marvel Stripe. They were named in honor of Copia, the American Center for Food, Wine and the Arts, in Napa California. Indeterminate. 85 days.	
Costoluto Genovese	Italian heirloom. Red ribbed juicy, does well in hot weather.	
Darkstar Hybrid	70-75 Days. Large, 8 to 10 oz., purple beefsteak-type fruits are oblate, ribbed and full of visual appeal. Dark purple/red flesh has a rich, smoky flavor and texture that is very similar to Cherokee and Carbon. Expect high yields	
Dagma's Perfection	Bi-colored yellow and red. 12 oz fruit.	
Dr. Wyche's Yellow	Best tasting of yellows-sweet and tangy, meaty, few seeds. Beefsteak.

NumEx Sandia	Like most NuMex varieties, this pepper was produced from the original heirloom Sandia Hot using natural plant selection techniques by New Mexico State University. Developed in 1956, the NuMex Sandia has the great flavor of an Anaheim pepper where it has a mild, fruity sweetness	
Numex Suave Orange	Habanero with just a bit of heat. Just 35 scoville. Distinctive fruity flavor and aroma of a habanero with only a hint of pungency. Compared to Habanero, the avg. 2 1/4" fruits are slightly larger, plumper, more wrinkled, and ripen to a bright yellow-orange (contrasting Habanero's orange). The tall, strong, upright plants have a high yield potential.	
Pasilla Bajio		
Piquillo		
Red Flame F1		
Red Petter Pepper	The original strain from the Alfreys. Demand continues to far exceed supply of this ornery old heirloom, grown as much to shock the prudish as for its culinary value! Pods are 4 to 6" long, blunt-ended, and mature to a deep red - excellent for chili powder. Dense plants, 20 to 30" tall.	
Rocotillo/Red Mushroom	Red small peppers, have patty pan shape fruity taste, with mild to medium heat. May harvest green or red.	
Sahuaro Hyb.	large green mild chili. 9 inch long, used fresh or roasted	
Shishito	Heavily wrinkled fruits are thin walled, mild (no heat) when green and slightly sweet when red. Popular in Japan where its thin walls make it particularly suitable for tempura. Also very good in stir fries or sautés. Thinly sliced, the red fruits are excellent in salads and coleslaw. Large, upright plants produce good yields over an extended harvest period.	
Serrano - Purple		
Serrano - Flaming Jade	Hot chile, suitable for salsa and sauces. Productive.	
Sureno Hybrid	Serrano type chili. Firm large peppers are uniformly straight. A bit spicier than a Jalepeno.	
Sugar Rush Peach	Bright, floral, and fruity flavor with nuances of citrus, apricot, and peach followed by a moderate to hot level of spice.	
Time Bomb	Round, red when ripe. With a Scoville rating just above 1,000, slightly hot, enjoyed as pickled peppers or as appetizers stuffed with cheese. 65 to 70 days.	
Sweet		
Biquinho Red	Little Beak" pepper from Brazil. The small, pointed fruits avg. 1 1/4" and have a unique, slightly tart flavor with a tiny bit of heat. May be eaten raw or cooked, but is generally pickled in vinegar and served with meals. Fruits turn from very pale green to red.

Sweet Roaster		
Mini Belle Pepper Red	Minature bell peppers.	
Orange Marmalade		
Pimiento	Most delicious when ripened to scarlet red.	
Sugar Rush Peach	Snacking pepper, supper sweet and tropical in flavor, seeds will add a smokey flavor. Bred by Chris Fowler of Wales.	
TXORIXERO	Pronounced (cho-dee-share-dow) A sweet frying pepper that is a traditional variety of the Basque people. Grown across Europe's Basque country; it is a key ingredient in Biscaya sauce and other delicious regional recipes. The thin-skinned, totally sweet peppers are traditionally strung into garlands and hung for later rehydration and use and can also be ground into paprika. Also excellent for fresh use, we love them raw in salads or blistered on the grill. This particular strain was brought to Boise, Idaho, over 50 years ago by Ben Goihiadia.	
Tequila	Amethyst pepper from Holland. Sets early. Peppers begin as lavender, then to orange and finally red.
